ABOUT THE AUTHOR

S.M. Ludin, the brains behind whimsical children's tales, spent his own childhood pondering the pressing question: are aliens among us? Infused with a quirky blend of historical landmarks, snappy humor, and a deep love for science fiction, Ludin's stories are like a rocket-powered joyride through time and space. When he's not busy crafting intergalactic adventures, you can find him on the sidelines, coaching softball with the enthusiasm of an alien invasion drill sergeant. Brace yourself for Ludin's hilariously cosmic tales that promise to readers into orbit with laughter!
